**BULLYING** – teasing and unkind remarks by one participant to another are not tolerated in the gym. If a child speaks unkindly to another child this can be regarded as serious. Coaches monitor interaction as much as they are able in the class however, they cannot hear every conversation. If parents are concerned about their child being bullied or teased please email or telephone the club and the head coach will be in contact. (Please note that bullying does not need to be multiple events. It can be one event that has a serious effect on another)
